RE: **Undergraduate Minor in SUPPLY CHAIN MANAGEMENT**

Industrial Technology and Management (INTM) wishes to establish a minor for undergraduate students seeking to expand their knowledge of Supply Chain Management and related activities. Students can earn the minor by completing five (5) courses/15 credit hours as follows:

Required courses:

INTM 441 Supply Chain Management
INTM 446 Manufacturing and Logistics Information Systems

Select a minimum of three courses from the following:

INTM 409 Inventory Control
INTM 427 E-Commerce for Marketing and Supply Chain Networks
INTM 430 Transportation
INTM 432 Sales & Operations Planning
INTM 442 Warehousing and Distribution
INTM 443 Purchasing
INTM 444 Export/Import

If additional information is required, please notify me (safar@iit.edu) or Pamela Houser (houser@iit.edu). Thank you.
