## Report of the Undergraduate Studies Committee 11.27.2017

In the 11.14.17 UGSC meeting, the following item was presented and is forwarded to the University Faculty Council for approval:

*New Degree Proposal: Bachelor of Science in Applied Cybersecurity and Information Technology* This previously introduced proposal was discussed, and based on a proposal by the Dean of the College of Science, the name of the proposed program was revised by vote of the committee to Bachelor of Science in Applied Cybersecurity and Information Technology. The proposal as revised is available at [http://www.iit.edu/~ugsc/documents/BS in Applied Cybersecurity and IT Proposal 2017.pdf](http://www.iit.edu/~ugsc/documents/BS_in_Applied_Cybersecurity_and_IT_Proposal_2017.pdf).

The proposal was approved by the committee by a vote of 8 to 2.

In the 11.14.17 UGSC meeting, the following items were presented and are forwarded to the University Faculty Council for consideration as information items:

*Illinois Tech's New Online Program and Policy Proposal Software* was presented by Pariseau from Academic Affairs. This is the new online curriculum management tool, CourseLeaf CIM Management, coming for Spring 2018. Documentation is at [http://www.iit.edu/~ugsc/documents/CIM\\_flyer.pdf](http://www.iit.edu/~ugsc/documents/CIM_flyer.pdf). The new software program creates an automated work flow which follows the existing governance process electronically. Faculty will now be able to see what is online without contacting UGAA.

*Premed Minor Course Addition.* The University Premedical Advisory Committee has approved COM371 Persuasion as a communication option for the premed minor. It does not replace any other COM classes listed, but is added to that list.

Full minutes of all UGSC meetings are available at <http://www.iit.edu/~ugsc/>
