

**Resolution on Maintaining the Stability of Information Support Systems  
During Crucial Time Periods**

Whereas students, faculty, administrators and academic advisors depend upon IIT's information support systems to move smoothly into and out of semesters; and

Whereas between Friday, August 18<sup>th</sup>, and the first day of classes on Monday, August 21<sup>st</sup>, 2017, certain support functions were changed, causing considerable problems; now, therefore, be it

*Resolved*, that the members of the Undergraduate Studies Committee:

1. Request that changes to IIT's information support systems not be implemented for a five-week period beginning two weeks before the first day of regular-semester classes through one week after the end of the add/drop period; and
2. Request that such changes also not be implemented for a three-week period beginning one week before regular-semester final exams and ending when the grade-entering window closes.
3. Fixes and other absolutely essential updates are excluded from these requests.
