RE: **INFORMATIONAL ITEMS > 2021-2022 PROGRAM UPDATES**

Please be advised that INTM is making minor adjustments to the Bachelor of Industrial Technology and Management (BINTM) degree, as follows:

MANUFACTURING TECHNOLOGY (MT) specialization

Addition to specialization: INTM 439 Advanced Metals Manufacturing II

Addition to specialization: INTM 448 Agile Methodologies for New Product/Process Development

These changes will be entered into CIM Program Management system to formally update INTM's program offering for the 2021-22 academic year.

Please contact me with any questions or concerns.
