RE: **INFORMATIONAL CHANGES > 2022-2023 PROGRAM UPDATES**

Please be advised that INTM is making minor adjustments to the Bachelor of Industrial Technology and Management (BINTM) degree, as follows:

**FACILITIES MANAGEMENT (FM) specialization**

New course: INTM 419 Budgeting and Finance for Facility Managers

**SUPPLY CHAIN MANAGEMENT (SCM) specialization**

Eliminated course: INTM 409 Inventory Management

Add course: INTM 432 Sales & Operations Planning

**GENERAL ELECTIVE**

New course: INTM 403 Management and Leadership

These changes will be entered into CIM Program Management system to formally update INTM's program offering for the 2022-23 academic year.

Please contact me with any questions or concerns.
