Illinois Articulation Initiative

Fall 2023 Update

Illinois Tech's Road to IAI Full Participation

[IAI General Education Package Requirements](#)

Click here to [View the status of courses submitted by Illinois Tech to IAI](#) (Last 2 years)

- **Illinois Tech is officially a full-participating member!**

- **Illinois Tech now sits on specific GECC & Major Panels**
    - **Solomon Kang - Business Major Panel**
    - **Shamiah Okhai- Communication Panel**

Next steps...maintaining IAI Participation

1. Continued collaboration with faculty (UGSC) and academic units regarding review of courses
   a. Review occurs every five years starting in Fall 2025
      i. ECON 151, PS 230, PS 200, PS232, PSYCH 221, MATH 122, MATH 152, MATH 251, MATH 152, MATH 225, COM 421, HUM 204
2. Panel Membership
   a. Openings available in Humanities/Fine Arts, Life Sciences, Mathematics GECC Panels
3. Alignment with Core Curriculum
   a. The current carve-outs outlined means that students will need to take an additional 12-15 credits (a full semester) to meet Illinois Tech core-curriculum requirements
   b. This is not aligned with IAI as fully-participating institutions must accept a completed GECC package and cannot require students to take additional general education courses beyond the package

Current Carve-Outs

- Additional 300 Level HUM course (3 CR)
- Additional 300 Level Social Science course (3 CR)
- Additional Math course (equivalent of MATH 119 or higher) (3-5 CR)
- Additional Natural Science course (in a second field) (3-4 CR)
- ITP course (2 CR)
- IPRO (6 CR)
- CS (2 CR)

These *carve outs* will require a student to complete an equivalent of at least one additional semester (not counting ITP & IPRO) even after successfully transferring with a full GECC Package.

*IPRO and CS can be potential carve-outs as it can meet the institutional-mission requirements

IAI Information and Resources

What is the Illinois Articulation Initiative?

The Illinois Articulation Initiative is a statewide transfer agreement with the goal of facilitating transfer of students among institutions in Illinois.
