	LO #9	
	LO #10	

Describe which LOs will be assessed and reported in which year.
 If data will be collected but not assessed and reported, say that.
 If no activities will be conducted, say that.

All LOs must be assessed in some year for a complete plan

Describe Assessment Report Dissemination and Continuous Improvement Plans

this should describe who will receive and/or have input to the report and CI plans. best practice is to involve appropriate faculty teaching in the area, as well as relevant stakeholders and administrators (chairs and deans)
