- *Linguistics
- *Literature
- *Philosophy
- *Policy and Ethics
- *Professional and Technical Communication
- *Science and Technology Studies
- *Urban Studies

Hannah Ringler is presenting a connected proposal for a BS in Data Visualization, Information, and Communication. If this new BS passes UGSC, the Humanities Department would like to also put the Bachelor of Science in Communication: General Communication on hiatus. If the new major does not pass, we would like to keep the Bachelor of Science in Communication: General Communication in the bulletin.
