Please provide a summary and rationale for the requested program revision.

The Dept of Psych faculty unanimously support (14 out of 14 votes cast) making a small change to our Minor in Psychology. The gist is that we're proposing to remove the requirement to take PSYC203 or PSY320. In place of PSY203 or PSY320, students can now complete any 100-level or higher psychology course to fulfill the requirements for this Minor.
