

Proposed Language

Natural Science or Engineering: 10-11 credit hours

This component may be satisfied by **any course in engineering, biology, chemistry, physics, with the exception of courses designed to satisfy the ITP requirements; or courses in architecture, food science and nutrition, and psychology marked with an (N). Only courses EG 225, EG 325, and EG 425 in Engineering Graphics may be used to satisfy this requirement.**

These courses must be distributed as follows:

- a. Two sequential natural science or engineering courses in a single field.
([CHEM 124](#) with [MS 201](#) satisfies this requirement. FDSN can be considered in the same field as BIOL.)
- b. At least one natural science or engineering course in a second field.
