Outlook

IIT UGSC agenda item - eliminating minors (Computational Structures, Computer Networking, Operating Systems, Programming Languages, Software Engineering)

From Matt Bauer (CS) Bauer <bauerm@illinoistech.edu>

Date Thu 22-Jan-26 5:23 AM

To Kathiravan Krishnamurthy <kkrishn2@illinoistech.edu>; Fred Weening <fweening@illinoistech.edu>

Please add this item to the 1/27 agenda

Deleting the following CS department minors (very low use over the last 5 years, we still have minors in AI, CS, Data Science (with AMAT)) - Computational Structures, Computer Networking, Operating Systems, Programming Languages, Software Engineering

The eliminations have been added in the program management queue in CIM
