RE: **MINOR PROGRAM CHANGES > 2026-27 ACADEMIC YEAR**

Please be advised that INTM has submitted minor changes for the **Bachelor of Industrial Technology and Management (BAC-INTM-3)** degree, as follows:

UPDATED ELECTIVE COURSES (2)

INTM 427 Manufacturing Planning and Production Management
INTM 435 Artificial Intelligence for Industrial Operations

MANUFACTURING TECHNOLOGY (MT) specialization

Add course: INTM 427
Remove course: INTM 435

SUPPLY CHAIN MANAGEMENT (SCM) specialization

Remove course: INTM 427

TECHNICAL ELECTIVE options

Add course: INTM 435
Remove course: INTM 427

These changes have been entered into CIM Program Management system to formally update INTM's program offering for the 2026-27 academic year.
